

## **Things To Know About Our Condo**

### **Internet**

Network Name: Salmon 8 – 5G

Password: fishgolfhike

### **Shoe Bench**

Inside the front door is a shoe bench for taking off your shoes. We like a shoeless house.

### **Dog Stuff**

We have a dog basket in the front hall, with blankets and other materials. Please use these for your dogs, if you need it.

## **Trash**

If you've accumulated a lot of trash, the trash/recycling area is in the parking lot (you drove right past it on the way to our parking spot H). They have separate bins for recycling as well.

**Trash Code combo is: 7829**

## **Room Temperature**

Room temp is easy to adjust. It is located in the hallway between the bedroom and the kitchen.

To the right on the instrument is a wheel. It is a wheel that you lightly press and turn clockwise or counterclockwise depending on if you want to adjust the temperature up or down.

## **Kitchen**

You are welcome to check all the drawers to find where things are.

Utensils, for instance, are in the top drawer adjacent to the counter microwave.

In another drawer – just to the right of the sink - are 4 flashlights, if you need them.

Under the sink is detergents, fire extinguisher, dishwashing soap and more.

## **Fireplace**

Nothing is more charming than a nice fire in the evening after a cold day out on the mountains. We have a natural wood fireplace. We leave a fire log for you.

You can acquire more wood and kindling down at the Thriftway Market at the corner of Welches Rd and Hiway 26.

### **Rock Barrier Next to Salmon River**

The rock barrier next to Salmon River is fragile. Please stay off the rock barrier. There are paths down to the river north and south of the rock barrier.

### **Boobtube**

There are boobtubes in both the living room and bedroom. There are remotes hopefully located where you can easily find them. Turn on, plug in your own account information and watch your favorite shows!

We also have a DVD player in the living room with an assortment of DVD's, if you are interested.

### **Washer/Dryer**

Washer and dryer are located in the hallway between the main bedroom and the kitchen.

Beyond that, if you have any questions, feel free to contact me and ask away!
