

Dog Rules - Woof!

I love my dogs. I'm sure I'd love yours! Here's how I handle my dogs in the condo, given the friendly neighbors:

1. All pets must be on a leash outside of the condo unit, in and around the condo complex.
2. Leash law does not apply to the beach! Just the complex.
3. Pets should not remain alone in condo. They hate it and so do the neighbors!
4. As pet owner you are responsible for cleaning up any/all pet refuse.
5. Pets are not allowed on the furniture. Period.
6. For your own pet's protection, have your pet up to date on rabies vaccinations and all other vaccinations. Heartworm preventative is highly recommended as well.
7. All pets are to be treated with topical flea and tick repellent three days prior to arrival. Again, for your own pet's protection.
8. As homeowner, I cannot assume responsibility for illness or injury that may incur to your pets while on the premises.
9. Vicious or dangerous dogs trained for dog fighting or with any tendency or disposition to attack any dog or other domestic animals or humans without provocation, are not permitted on the premises at any time.
