

Things to Know About Unit 922 at Westport by the Sea condo Complex

FOOTWASH

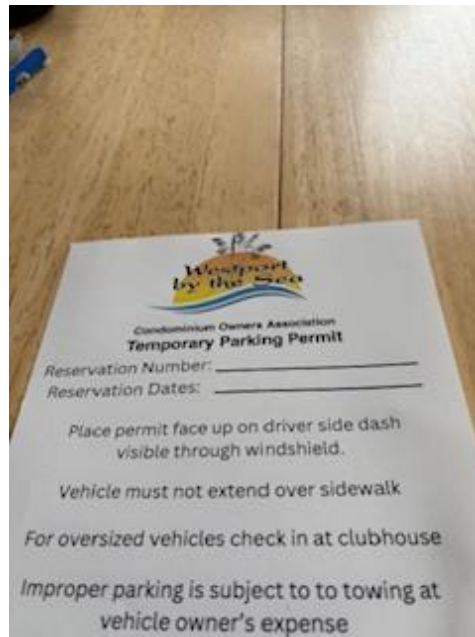

Sand and dirt will clog our plumbing system faster than you can say roto rooter. There is a footwash (and body wash if required) located across the parking lot as you see in photo.

As a courtesy, wash all sand off before coming back into the condo.

Thank you in advance.

PARKING PASS

Place one of these on the dashboard of your vehicle.

PATIO DOOR

The patio door is quirky. Turn the knob **Counter-clockwise** and you will hear a soft click. You can then turn the handle upward to open the door.

To lock the patio door, reverse the procedure. Close the door, pull the handle down and turn the **knob clockwise**

FIREPLACE

The electric fireplace works by the remote control located above the fireplace.

The remote works like a TV remote.

The upper left 'circle' button turns the fireplace on and off.
The arrows at the bottom change the temperature.

Fitness Center, Swimming Pool and More

Note the location of various fun activities around the complex.

The Entrance to the pool and fitness center is located on the left by the Oversized Vehicles

There is a key along with your parking passes. This key gets you into the fitness center and swimming pool.
